Public Hearing Held On Seas[illegible] Liquor License for King's Campground

By Karen Potter

The Sutton Board of Selectmen held a public hearing on Tuesday, April 21, on an application for a seasonal license to dispense packaged liquor at King's Campground in Manchaug.

Following the death of life-time Sutton resident Bunk King last year, the family-oriented campground was purchased by Paul Boutiette of South Grafton. Boutiette's attorney, Karen Ludington of the Worcester law firm, Mirik, O'Connell, DeMallie and Lougee, presented the basis for the application and described the intent behind the anticipated expansion of the camp's store. She stated that Boutiette intends to add a small room, with a separate entrance, for the sale of beer and wine.

While it was noted that the sale of beer and wine is for the convenience of campers, Boutiette and campground manager, Tom Steele, admitted that sales will not be limited to campers. The proposed hours of operation would be 9:00 a.m. to 11:00 p.m.

Approximately 35 neighbors of King's attended the hearing, many of them expressing their objections to granting the license. Heavy vehicular traffic around Manchaug Pond, increased dangers from intoxicated boaters, and the impact on the neighboring properties and campgrounds were chief among the concerns voiced by residents.

One outspoken opponent was Joseph Staruk, who operates a 170-site family campground near King's. A former president of the New England Camp Owners Association, he stated that he does not know of any camp in that organization which holds such a license. He expressed concern with respect to the young campers on his and other sites who might be enticed into "buy-for-me" relationships with those of legal age. "The lake is an accident waiting to happen," he said.

Staruk argued that there is already a serious problem with boat operator's operating under the influence of alcohol and he questioned the wisdom "of injecting more of the same into the community."

Warren Stockhaus, who also opposes granting the license to Boutiette, stated that he fears for the safety of swimmers on the lake. "If I'm floating in my tube off the end of my dock and get run over by some guy who's been drinking, whose neck is going to be in the noose? Yours," he asked Boutiette, "or the boat driver's?"

Margaret Maynard of Duval Road explained that children from ages 7 through 16 congregate and swim at the dam on the lake. Eleanor Dow added that, because of the heavy volume of traffic in the area, there is at least one dog killed each month. "God forbid it should be one of the kids someday," she said.

Noting that there is a store on Main Street in Manchaug which sells liquor, Mrs. Maynard said, "Why do we need two (outlets) in so small an area?"

Staruk rose again to remark that he believes Bunk King would "flip over in his grave over this." Adding her voice to those opposing the license, Janet Julian stated that Bunk's widow Mary King is "diametrically opposed to this."

Another resident, Phyllis Gillespie, stated that she believed the request was valid but questioned the wisdom of allowing another liquor store in an area where it appears that problems relating to alcohol already exist. "King's is not separate from the community," she said.

Attorney Ludington responded that the problems outlined were not necessarily connected to King's campground. She stated, "The manager works hard to be responsible. The application is a proper application under the law." Ms. Ludington cautioned listeners against assuming that far worse events could take place than could be associated with this type of application.

Elizabeth Briggs, who lives across the street form the store, stated that she and her husband have "complete confidence in these two people (Boutiette and Steele) to keep control of the situation."

Boutiette said, "We know what these campers are doing and can anticipate problems before they occur." He added that the convenience of the store on his campground should help eliminate some traffic now attributed to boaters and campers going downtown to purchase beer and wine. "We are non-drinkers and will have no sympathy for intoxicated people." He concluded his remarks by assuring his neighbors that there is liquor liability insurance available and that the campground will be fully insured.

The Public Hearing was adjourned at 8:50 p.m. The Selectmen are expected to announce their decision at next week's meeting.

In other action taken at the Selectmen's meeting, the Board:

1. approved a pole installation at the intersection of Eight Lots and West Sutton Roads.

2. appointed Jack Sheehan to the Conservation Commission and Joe Brady for a one year position as Sealer of Weights and Measures.

3. voted to offer the Blue Cross/Blue Shield Master Health Plus program to town employees to replace the current Master Medical plan. In addition, they voted to offer a deferred compensation retirement plan to all town employees on a voluntary basis.

Under the heading of "Old Business", Selectman Mike Chizy inquired after the progress made toward the traffic control sign's request made by citizens' petition last fall. The signs, according to John Reed, are on order and will be installed when received.

In the final matter of business, Paul Laughlin, of Wheelock Road, requested that the Town repair "serious damage" to his property which he alleges is a result of the town's failure to correct long standing and deteriorating drainage problems.

Laughlin inquired whether the town has any intention of paving Wheelock and John Reed responded that the road does need some attention. "It's one of the three worst roads in town; Dodge Road, Wheelock Road, and Eight Lots Road."

SUTTON TAX BILLS IN THE MAIL

SUTTON. According to Sutton Tax Collector, Barbara Bessette, property tax bills were mailed from her office on April 7th.

Payment is due by mail or in person at the Municipal Center on or before May 7th. Taxpayers are reminded that late payments will carry a 14% interest charge which will be retroactive to the date of mailing.

In the event property owners' taxes are paid from an escrow account, Mrs. Bessette urges that the bills be mailed promptly to the bank to ensure that payment is received by the Tax Collector on time.

The Tax Collector's office should be contacted immediately if an expected bill has not been received. Questions about property evaluation should be directed to the Board of Assessors.

The Tax Collector's office is open Monday through Thursday from 9:00 a.m. to noon, and from 12:30 to 4:00 p.m., and is also open on Tuesday evenings from 7:00 to 9:00 p.m. The telephone number is 865-5182.

The Assessors can be reached at 865-2206 during their office hours which are Monday and Thursday from 9:00 a.m. to noon, and 12:30 p.m. to 4:00 p.m.; Tuesday and Wednesday from 9:00 a.m. to noon; and Tuesday evenings from 7:00 to 9:00 p.m.

MILLBURY LIBRARY TO HOST PROGRAM ON NURSING HOME CARE

MILLBURY. The Millbury Public Library, 128 Elm Street, will present "Nursing Home Care in Central Massachusetts" on Wednesday, May 6, at 2:00 p.m., and Thursday, May 7, at 6:30 p.m.

Representatives from the Nursing Home Ombudsman Program and the Age Center of Worcester will discuss nursing home care, resident's rights, funding sources and placement issues. Representatives will be available after the presentation to talk privately to individuals about their particular problems and concerns involving nursing home care.

Register for this program by calling 865-1181.

Waters Farm Committee to Learn Art of Making Period Costumes

SUTTON. The Waters Farm Committee of Sutton will hold their monthly meeting on Tuesday, May 12, 1987, at 8:00 p.m. at the Municipal Center, third floor, 4 Uxbridge Road.

The guest speaker will be Dorothy Zug, Regional Coordinator of Interpretive Services of the Department of Environmental Management. Ms. Zug will speak on costumes that were made and worn during the periods 1828-1843, the 1850's, and the 1700's, and will bring resource catalogs and books for anyone interested in copying the registered patents.

The public is invited to attend this meeting and will have the opportunity to join the group in learning the art of making period costumes.

Calling All Dogs

GRAFTON. Do you have a pet dog that you think could win a Frisbee competition? Does your dog "sing"? If you can answer yes to any of these questions, then consider entering your dog in Tufts first competition for pet dogs, Tuesday, May 5th, between 4-6:30 p.m.

In conjunction with the celebration of National Pet Week, Tufts University School of Veterinary Medicine in North Grafton is inviting owners of pet dogs to participate in a series of contests to be held on two days, May 5th and May 9th, on the grounds of the veterinary school on Route 30 in North Grafton.

The first phase of the judging will begin on Tuesday, May 5th. Five finalist dogs, and their owners, in six different categories will then be asked to return for final judging which will be held Saturday, May 9th, during the school's Open House celebration.

The six categories are: Best Tricks, Owner/Pet Look Alike, Best Costume, Most Spots, Best "Singer", and Best Frisbee Player. Each competition will start at specific times between 4:00 and 6:30 p.m. on May 5th, weather permitting. Because the events can only take place outside, both will be cancelled in the case of inclement weather.

There is no cost to enter the contests, but contestants may only enter one category. Every contestant will be given a certificate for participating, and prizes will be awarded to the five finalists, with a grand prize to winners in each category. Tufts employees and family members are ineligible. There will be guest judges, including two veterinarians from the Massachusetts Veterinary Medical Association.

For more information about the contests, and to receive an entry form, please contact Ms. Nancy Horniak, c/o Tufts University School of Veterinary Medicine, 200 Westboro Road, North Grafton, MA 01536, (617) 839-5302, Ext. 4730.

Sutton Special Slated For May 7

By Karen Potter

SUTTON. May 7th will see Sutton voters considering a short five article warrant at a Special Town Meeting to be held at the Elementary School.

Articles I and II seek to allocate the 1987 Additional Lottery Distribution which amounts to $24,308.00. These two articles would divide the funds from the Commonwealth as follows: $15,309.50 to the Industrial Schools Account, $7,998.50 to the Town Counsel Account and $1,000 to create a Memorial Day Expense Account.

The sponsor for these articles is the Board of Selectmen. They also are the sponsors for Article V which seeks voter approval to lease a parcel of town owned property to the Wilkinsonville Water District. As was previously reported, Water District Commissioners would like to erect a small office building adjacent to the Fire Station on Providence Road. The gratis lease fee of $1.00 per year is in deference to the Water District's agreement to permit use of their building as the election poling place for Precinct 3.

Articles III and IV are fund transfer items being sponsored by the Police Department and the Cemetery Commission respectively.

Proposed Curriculum Coordinator Position Draws Debate at Millbury School Committee Meeting

By Edward J. Cooney

APRIL 15, 1987

Dr. Sylvia, Clerk of the School Committee, called the meeting to order. Sylvia called for nominations for Chairman of the School Committee, under the reorganization rules. Committeeman Wilczynski nominated Chester Hanratty and Bruce Pease seconded the nomination. Mrs. Cooney nominated Alan Tuttle. Sylvia asked for a second and Mrs. Cooney questioned the need for a second. Hanratty stated that there was no requirement for seconds when names are placed in nomination. Hanratty was elected Chairman by a unanimous vote.

Hanratty then assumed the Chair and called for nominations for Vice Chairman. Wilczynski's was the only name placed in nomination; he was elected by unanimous vote.

- The Committee then unanimously voted to meet on the first and third Wednesdays of the month for the upcoming year. Roberts Rules were voted unanimously as the rules by which the Committee will conduct their business.

- The previous minutes were corrected and approved by a 5-0 vote.

- Robert Austin was present to seek approval to conduct a one week baseball camp at the Middle School during the month of August.

During the discussion, Austin emphasized that he was seeking approval to negotiate with the Superintendent, a sliding fee schedule based on the number of participants who sign up. He noted that fees charged last year were $55 less than most baseball camps in the area.

Sylvia suggested a sliding fee schedule between $25 and $35 per day, depending on enrollment.

The Committee approved his request, in principle, and asked Austin to return with data to negotiate a fee schedule.

- Item #3 on the Agenda generated an extensive discussion and exchange of viewpoints from School Committee members and a contingent of members of the Millbury Task Force Study Committee, headed by Paul Clancy, an English teacher at Millbury High.

Wilczynski asked the Committee to discuss the position of Curriculum Coordinator, presented at a previous meeting, as a top priority recommendation of the Task Force Study Committee.

Wilczynski opened the discussion by stating that the position created would be responsible for managing curriculum and program quality, allocating resources, and ensuring an environment of the highest quality. It was his position that a curriculum coordinator would coordinate programs among all levels, which is not presently being done.

Wilczynski cited instances in the past where glowing reports were presented by administrators, department heads, and staff, that were self-emulating and indicated no serious problems with the Millbury system. It was Wilczynski's view that the system was being "mismanaged" and that not enough was being done. He noted that the Superintendent is working hard and that he has said that he would challenge the problems on his own. "No one can do it alone. He needs help. We have had the full reality of a mismanaged structure. There has been no continuous flow of information between buildings. There has been a lack of communication between the Committee and the Superintendent. Our instructions have not been carried," said Wilczynski. He then added, "There has been a challenge to everyone. The Superintendent and the system have not met the challenge."

Wilczynski then cited areas in the FY 87-88 budget where various cuts could be made that would allow the creation of the new position at a salary of $45,000. He stated that after examining the substitutes account, he found there had been an average of 6.4 per day absences for the teaching staff. He noted that most absences appear during April, May and June. He also questioned the possibility of sick leave abuse, noting that he was not sure of the reasons, but that they may be valid.

Wilczynski stated that he wanted the Committee's support. "I don't know what a coordinator would cost. Forty-five thousand may be more than needed." In closing his initial remarks, Wilczynski stated that he was not being critical of the Superintendent. "He has had opportunities since he has been in the system. A lot of changes have occurred. It hasn't worked. Everything I heard was very positive. I am sure he was shocked with what has been going on."

Alan Tuttle then noted that this whole matter had been discussed at a previous meeting. "The Superintendent asked to fill both positions." Tuttle indicated that he thought some of Wilczynski's statements were somewhat offensive and were not those reflected by him [Wilczynski] on the night the Superintendent was evaluated.

MILLBURY SELECTMEN'S MEETING DIGEST

By Edward J. Cooney

APRIL 21, 1987

After signing Warrants, the Board listened to reports presented by Administrator Earl Chase.

- Chase reported that Mass. Electric is modernizing service along Riverlin Street, which involves the replacement of 15 incandescent street lamps with mercury vapor lamps. Chase noted that the mercury vapor lights are being used as replacement lights because the Company has no parts to service and repair the incandescent style lights.

Chase also informed the Board that he has noticed a change in the cost by the latest bills received for two light replacements on Dorothy Road. The rate of difference was $15 higher.

Selectman Wynton Adams stated that with 1,000 or more lights throughout the Town, such an increase could affect the budget. He suggested that the Town try to negotiate. "They are acting without a request from us." He also noted that rate changes are approved by the Department of Public Utilities. "Something ought to be done by the Department of Utilities. Mass. Electric is encumbering Town funds without Town approval. It is illegal. They have taken upon themselves to up-rate at a higher rate," said Adams.

Adams suggested that the item be placed on the regular agenda. He also suggested that a new survey be done to determine lighting needs.

- Chase brought to the attention of the Board an estimated figure of $18,000 for the re-design of the heating and ventilating systems at the Town Hall, as submitted by Burke Engineering.

Chairman Jude Cristo stated that the heating and ventilating systems were not designed properly.

- Chase then reported that he had received a call from the C.D. Whitney Agency informing him that the Town will receive a $14,000 dividend check from Workman's Compensation coverage under Traveler's Insurance.

Representative Kollios continues to hold his regular office hours at the I.B.A. Building, 27 Providence Rd., Millbury, Telephone 865-1451, as follows: Friday, 10:00 a.m.-2:00 p.m.; Saturday, 10:00 a.m.-12:00 noon.

Representative Kollios can be reached at the State House, Monday through Friday, Room 22, Telephone 722-2291.

Red Cross Holds Garage Sale

WORCESTER. The Central Massachusetts Chapter, American Red Cross will be holding its First Annual Garage Sale on Saturday, May 16, 1987, from 8:30 a.m. to 4:00 p.m. at its headquarters at 61 Harvard Street, Worcester. Monies raised are needed to support the Chapter's Health, Blood and Disaster Services Programs.

Donations of miscellaneous and household items (no clothing) are still being accepted. For more information call the Office of Community Services at 756-5711.

Sutton Historical Society to meet on May 5th

SUTTON. The regular monthly meeting of the Sutton Historical Society will be held on Tuesday, May 5th, at 8:00 p.m. at the former Manchaug Baptist Church.

Following the business meeting, Ronald P. Chrzanowski, Vice-President in charge of Engineering and Real Estate of the Providence and Worcester Railroad, will speak on the history of the P&W Railroad until the present time.

Refreshments will be served, and the public is welcome to attend this interesting program.

Moore Announces Office Hours

SUTTON. Representative Richard T. Moore (D-Uxbridge) has announced his May and June office hours:

Tuesday, May 12: For residents of Webster - 7:30 to 9:00 p.m. at the Webster Town Hall.

Thursday, May 21: For residents of Douglas, Sutton, and Uxbridge - 7:30 to 9:00 p.m. at the Uxbridge Town Hall.

Thursday, May 28: For residents of Hopedale, Mendon, Millville - 7:30 to 9:00 p.m. at the Hopedale Town Hall.

Tuesday, June 9: For residents of Webster - 7:30 to 9:00 p.m. at the Webster Town Hall.

Thursday, June 11: For residents of Douglas, Sutton, and Uxbridge - 7:30 to 9:00 p.m. at the Manchaug Library.

Thursday, June 18: For residents of Hopedale, Mendon, Millville - 7:30 to 9:00 p.m. at the Hopedale Town Hall.

HIGH SCHOOL DIALOGUE

By Roger Desrosiers

NATIONAL HONOR SOCIETY INDUCTION

On Friday, May 1, in the High School auditorium, the newly elected members of the National Honor Society will be inducted. The evening will begin at 7:30 p.m. with a Welcome Address by Principal Daniel Carmody. The President of Millbury's N.H.S., Lisa Iacone, will give the Opening Address followed by speeches on the four qualities exemplified by membership in the N.H.S. Lori Gardner will speak on Character, Brett Taft on Scholarship, Lynne Picard on Service, and Jim Tuttle will speak on Leadership.

These students, as well as the rest of the current membership, Karin Stead, Bonnie Crabbe, Karen Dion, and John Walkonen, will then induct this year's new members: Junior, Denise Young; Sophomores, Maxine Dupre, Darlene Gover, Melissa Haglund, Arlene Mattrick, Heather Murray, Scott Pease, Melissa Phelan, Christopher Richards, Wendy Stead, Mike Tift, and John Welcom.

The school's chorus, under the direction of Mrs. Karen Canali, will also perform. Refreshments will be served in the cafeteria following the ceremony. Congratulations to these students and their parents and families. And special recognition to Mrs. Susan St. John, advisor of the National Honor Society.

COLLEGE FAIR

During the school day on Friday, May 1, students will have the opportunity to meet representatives from colleges in the New England and New York areas, as well as recruiters from the military services. Other specialized schools will also be represented, such as nursing, business, professional, trade, and technical schools. This is a good way for students, particularly sophomores and juniors, to find out about the many programs available, the admission requirements, financial aid, and other information which concerns them.

The Guidance Department has worked hard to coordinate this annual event. This is a great opportunity for students to gain a lot of important information for their futures.

HOLOGRAPHY ASSEMBLY

Part of this year's School Improvement Council funds have been used to bring Ms. Harriet Casdin Silver and her presentation of holography to the school. Holography, which creates images by using laser beams, is based on physics but is becoming widely accepted as an art form. Ms. Silver will show slides and also give an actual demonstration of this art form. This will be presented on Wednesday, May 6, in the gymnasium.

BLOOD DRIVE

Much of this winter we have heard the pleas of the Red Cross for much needed blood. Well, the Student Council, under the direction of Mrs. Frances Dupont, is sponsoring a Blood Drive at the high school on Thursday, May 7, from 8:00 a.m. to 1:00 p.m. Millbury residents are encouraged to participate. If you would like an appointment, you may call the principal's office, 865-5841, or you may just walk in. The blood drive will take place on the stage in the auditorium.

SENIOR EVENTS

The following is a list of the senior events coming up this month.

May 11-15: Senior Final Exams
May 15: Last day for Seniors
May 21: Class Trip
May 22: Class Day
May 27: Academic Awards and Scholarships
May 29: Senior Supper
May 31: GRADUATION

PLANNING AHEAD

Next week, on Friday, May 8, the local Student Government Day will take place. More to come!

ON THE SHELF

By

Rosemary Waltos

There are two informational programs planned for Older American's Month. The first program, "Nursing Home Care in Central Massachusetts", is scheduled for May 6 at 2:00 and May 7 at 6:00. This program will be presented by Dianne Caron-Stadig, Associate Director of the Age Center of Worcester, and Ann Lewis, Director of the Ombudsman Program for the Valley Adult Counseling Services. Caron-Stadig and Lewis will provide an overview of the different types of nursing care facilities and the levels of care they provide. They will cover some of the common concerns of nursing home residents and their families, such as patients' rights, medical services, financial matters and loneliness and boredom. In addition, available funding sources that ease the burden of the cost of care will be discussed.

In an effort to address everyone's concerns and problems, Caron-Stadig and Lewis, along with Bill Glowik, Nursing Home ombudsman for the Age Center of Worcester, will meet with people on a one to one basis for private counseling or assistance.

The second information program, "Housing Options for Seniors", is on May 13 at 2:00 and on May 14 at 6:30. This program will cover living options for older adults with special emphasis on the types and availability of housing in Millbury both now and in the future. This presentation is of particular interest to people planning for retirement.

Jean Moltebrey, the Housing Analyst with the Massachusetts Department of Elder Affairs, and Irene Sullivan, Director of the Millbury Housing Authority will present this program. Ms. Moltebrey will discuss home equity conversion, nonprofit real estate developments, and private developments. She will cover how to choose and access the type of housing that suits your needs. Mrs. Sullivan will focus on the types of housing programs administered by the Housing Authority and the proposed congregate housing to be built in Millbury. A question and answer period will follow this presentation.

Registration is necessary for both of these programs. To register just call the Library at 865-1181.

In addition to these two programs, the Library will be presenting its last tow reading/discussion programs in the series "Working". On Tuesday, May 5, at 10:00 a.m., Professor Shelia Willard will discuss the book Confessions of an Advertising Man by Dan Ogilvy. On May 19, at 10:00 a.m., Professor Daniel Conell will present the best seller Working by Studs Terkel. If you haven't yet attended one of these lively and interesting reading/discussion programs, you're welcome to join in now. Books are available at the Library.

Working is funded by the American Library Association for the purpose of providing reading/discussion programs to Millbury's senior citizens.

Millbury Public Library wants to extend its thanks to Millbury's Council on Aging for its help and advice in planning and promoting all four of these programs.

If you're wondering what other events and activities are going on at the Millbury Public Library, here's our "May Highlights" calendar.

SELECTMEN from Page 5

Cristo noted that the funds would be placed in the General Fund.

Adams questioned if there was a possibility of crediting the amount received toward future premiums.

Chase stated that it couldn't be done as the check was written by Traveler's Insurance and not C.D. Whitney.

- Cristo then noted that representatives from the Finance Committee were present and requested that the Board listen to their concerns. While the Finance Committee was not listed on the Agenda, Chase had penciled them in.

Mr. Bleau, Chairman of the Finance Committee, stated that the Committee had several questions concerning budgets and articles for the upcoming Town Meeting. He questioned the lack of a dollar figure for an article dealing with the town hall building.

Cristo answered that the Board had just received a figure of $18,000 for the re-design of the heating and ventilating systems.

Bleau noted that the Capital Budget Committee had moved to increase the Budget for repairing the sidewalks in Town to $40,000. He indicated that he wasn't sure of the basis for the request or if it "was picked out of the air."

Cristo said that the former Highway Surveyor, Donald Army, had done a survey and that some work had already been done.

Selectman Donald Gauthier noted that the completed survey had quoted a figure of $1.75 a foot for concrete for 22,000 square feet.

Cristo indicated that maybe Chapter 90 monies, with a reimbursement of 50-75% for road repair, could be utilized to assist in rebuilding sidewalks as well. He noted that the Town was behind on the sidewalk repair schedule and stated that the Board would soon be hiring to complete the work.

A third concern of the Finance Committee was a request of $2,000 for the Blackstone Valley Cooperative. Bleau indicated that the Committee did not have a really good feel as to how the Cooperative works.

Cristo noted that the Cooperative's main function was that of a planner for development of the Blackstone Valley.

Adams noted that the Cooperative did extensive work when G.T.E. indicated some interest in locating in Millbury. He added that Millbury was a prime benefactor in the effort.

Bleau then raised the issue of the reconstruction of Millbury Avenue.

Cristo state that Bayside Engineering had done engineering studies many years ago but that the work never was done.

Gauthier indicated that a total reconstruction was to be done. He noted that Mass. Water Works will be opening the street to the Worcester line, up to Signal Resco, and that coordination should be done with them.

Cristo indicated that the Water Company would be laying new asphalt and that possibly an overlay could be done to complete the other sections of the road at the same time.

Bleau then raised a question concerning a full time position in the budget for a secretary for the Planning Board.

Selectmen indicated that it was their understanding that a secretary was to be made available to all the Inspectors and that in order to fund the position, the cost would be reflected in all the Inspector's budgets.

Cristo suggested that Chase get in touch with the Building Inspector to clarify the position, and to see if the inspectors were agreeable to the establishment of a "central clearing house" for requests of permits and inspections.

Bleau then asked, with tongue in cheek, if the town would have a Police Department next year. He noted that no budget figures were as yet available for evaluation by the Finance Committee.

Cristo replied that the Board has recently been presented with additional documentation and figures by the Chief. He instructed Chase to give Bleau a copy of the budget and the supporting documentation.

The Board approved the Police Department Budget 3-0.

- The Selectmen then submitted a "transfer of funds" request in the amount of $4,151.99 for legal fees for contract negotiations.

- At 7:30, the Board met with Mr. Trychon, a representative of New England Telephone, who was seeking a permit to add an electronic box to an existing one at the cemetery on South Oxford Road.

Superintendent of the Cemetery, Mr. Stowe, was present and requested a look at the schematic drawing, indicating that the drawing for the location was in error.

Trychon suggested that an engineer from the telephone company review, with Stowe, the site location in order to make appropriate corrections that would not impinge on the cemetery entrance.

Cristo suggested that the permit request be held up until a review was completed. He also asked that the graffiti on a similar box on Wheelock Avenue be removed.

Gauthier then expressed increasing problems with his phone. Trychon indicated that he would follow up on his complaint and rectify the problem.

- The Board briefly discussed the water levels at Dorothy Pond and Singletary Lake.

Editorial

The Millbury Assessment Task Force has recommended that the School Committee approve the creation of a new position, Curriculum Coordinator, with a potential price tag of $45,000 per year. Although no job description was presented, it can be assumed a coordinator would be at least in charge of implementing, if not creating a core curriculum that would begin in the elementary grades and produce an educated person after four years of high school - essentially, do what school systems are supposed to do. While the creation and implementation of a school-wide curriculum is to be applauded, and the motives of the committee are unimpeachable, the assumption that a new administrator with as yet undetermined authority will be able to accomplish what a superintendent, principals, and faculty have been unable to is highly questionable, and the mere suggestion that a curriculum review is not already being done and amended every year should be insulting to teachers and administrators.

Millbury students scored poorly on the statewide assessment exam. People can scurry around trying to lay blame; they can launch salvo after salvo of charge and counter-charge in their own defense, but in the final analysis there is no great secret as to why the scores are low; many students can't read and write well - qualitative skills, and many have difficulty solving the most fundamental arithmetic problem - quantitative skills. What is worse, is that most students don't care about developing these skills, and let's be really honest, most parents don't either, not really.

This observation may appear simplistic or perfunctory; it may even appear glib, but William Bennet, the secretary of education, and various reports from prestigious sources, the last of which was the Chronicle of Higher Education, point out the problems that we have been, and still are ignoring, namely, that students today simply do not take courses in which they must read and write. Students are not compelled to master fundamental communication skills and parents are all too quick to excuse their children from mastering those skills which they, too, found difficult or boring.

The question is, however, can one individual be the academic messiah, the panacea to all Millbury's educational problems? The answer is absolutely no. Elementary logic tells us that the professionals dealing with these problems on a daily basis are best qualified to address and remedy the deficiencies. Some will argue that we cannot rely on those who, to a greater or lesser degree, are part of the problem to solve the problem, and rightly so. However, until faculty and administrators collectively diagnose the academic ills peculiar to the Millbury School System, an academic remedy is impossible, and no administrator (even if this person is, as he would have to be, an academician and not a manager) can resolve all of the problems in all of the areas impacted by these assessment scores. And unless the School Committee recognizes that giving lip service to all the modern educational cliches without giving the power and authority to the faculty, who are, like it or not, the only ones who can correct the problem, then they might as well appoint another administrator who will be handicapped by the same obstacles that created the problem in the first place.

Let us assume for the sake of discussion that a coordinator is hired. Certainly a curriculum coordinator would have to be a master teacher with a strong academic background, but even if this individual was an outstanding English teacher who set up a model program in English, could we expect him/her to set up as comprehensive a program in Biology or French or History? Would such an individual be better able to map out and implement a progressive program for Millbury students than would the teachers already working in the classroom? What possible guarantees could be given that the recommendations a curriculum coordinator would make would be anymore palatable than the recommendations that have been made by the faculty over the years. Even if the recommendations were acceptable, without universal and enthusiastic implementation they would be only more expensive fodder that is left to rot in the educational silo.

What is needed is for the School Committee to allow the faculty to exercise its obligations and responsibilities without fear of reprisal or censure, and to make recommendations and have them taken seriously. To spend $45,000 for the coordinator's salary and, as yet, an undetermined amount for the support necessities without a firm commitment that the educational ills will be revealed and strong definitive steps will be taken to remedy them, is simply creating another administrative position that does nothing to advance the cause of education. In the final analysis, the students lose out again.

Fidelity–Cooperative Holds 99th Annual Meeting

At the 99th Annual Meeting of the Fidelity Co-operative Bank held recently, President Francis M. Metterville reported that the past year was one of progress for the Bank, with total assets reaching an all-time high of $88.5 million dollars. Reserves of the Bank also set a new high, surpassing the $7 million dollar mark. "It is anticipated that the coming year will see an even greater growth, not only in total assets, but the reserves of the Bank as well."

Mr. Metterville reported that a new product, the Home Equity Line of Credit, which was introduced approximately one year ago, has become increasingly popular in recent months, resulting in a significant demand. "More than $5 million dollars, representing 162 loans, was granted for this purpose during the past twelve months, and we feel that the demand for this type of loan will more than double in the coming year."

"Additionally, 412 mortgage loans, exceeding $23.5 million dollars, were granted during the year, in meeting the needs of new home buyers, and those refinancing to take advantage of lower interest rates."

"Service," Mr. Metterville went on, "has been greatly enhanced by the installation of state of the art computer equipment at all offices of the Bank during the past year, enabling quick access to customer files, and increasing our ability to process transactions promptly." It was also announced that the Branch Office at 29 Main Street in downtown Leominster, will soon offer a new drive-in facility, to better serve the customers in that community.

Four new promotions were announced at the Meeting. Thomas A. Carter, Operations Officer for the Bank, was appointed Assistant Vice President. Richard J. Williams, Mortgage Officer for the Bank, and Linda M. Hietala, Manager of the Gardner Branch Office, were also appointed to the position of Assistant Vice President. Debra Pochini, who has served as Accounting Officer for the Bank, was elected as Assistant Treasurer.

A gift was presented to Joseph L. DiConza, Senior Vice President and Treasurer of the Bank, from the Board of Directors, in recognition of his 25 years of service.

In finalizing his report, Mr. Metterville announced that "Fidelity Co-operative Bank is about to enter its 100th year of service to all of Central Massachusetts. We will be celebrating all during the next twelve months, and plans are being formulated to make this an exciting time for the four communities where our offices are located."

Shareholder's of the Bank, at their meeting also held recently, re-elected Jay M. Rome of Leominster, William J. Williams of Lancaster, and Wallace E. Johnson of Sutton, to new three year terms as Directors of the Bank. Mary M. Leary of Ashburnham was also elected as Clerk of the Corporation for one year.

Officers of the Bank, who were re-elected to new one year terms, are: Mr. Metterville, President; Mr. DiConza, Senior Vice President & Treasurer; Armand H. Lapierre, Vice President; Mrs. Leary, Assistant Vice President; Helen O'Connor, Assistant Treasurer; and Betty G. Bjurling, Assistant Treasurer.

Other Directors of the Bank, whose terms expire at a later date, are: Richard D. Colombo and Raymond J. Robichaud of Gardner, Robert J. Fallon of Lunenburg, Dorothy A. Driscoll and Theodore M. Nikitas of Leominster, and Henry J. Masciarelli and Michael F. Root, of Fitchburg.

AROUN' THE TOWN

By Lillian C. Sheehan

MILLBURY WOMAN'S CLUB

The annual meeting of the Millbury Woman's Club will be held at the Castle Restaurant in Leicester. The Social Hour will begin at 11:30 a.m., followed by the luncheon at 12:30 p.m. Mrs. Jane Jung is chairman.

All members are reminded of the Pie and Plant Sale, which will be held on Friday, May 8th, on the Millbury Common. Linnea Stead and Dorothy Molleur are in charge of the pies; Ruth Stafinski and Mary-Lou Mulhane are in charge of the Plants. Members are asked to bring their donations before 9:00 a.m., if possible. The sale will be held from 9:00 a.m. to 2:00 p.m.

Happy Birthday to a popular lady in town, she is not only Recording Secretary of the Woman's Club but very active in several organizations. Many happy returns of May 1st, Ruth Shimkus!

ST. BRIGID'S WOMEN'S CLUB

The Annual Meeting of St. Brigid's Women's Club will be held at Pleasant Valley Country Club on Thursday, May 21, 1987. Mass will be celebrated at 5:30 p.m.

Mrs. James Carney and Mrs. Vyto Morkunas are co-chairmen. They will be assisted by Mrs. Francis Gaudere, Mrs. Richard Dwinell, Mrs. Joseph Lakama, Mrs. Robert Leblanc, Mrs. David Matson, Mrs. John McKenney, Miss Ellen Norton, and Mrs. Thomas O'Brien.

Marcia Perlmutter will be guest speaker, providing another performance from her educational theater.

Members of St. Brigid's Women's club are asked to send in their favorite recipe to Peggy Spang, chairman of the "Cook Book Committee". The Club hopes to put out a cook book with tried and tested recipes that can be sold in time for Christmas. More about this at the next meeting.

GOLDEN AGERS UPDATE

By Lillian C. Sheehan

CENTERVIEW SALE SUCCESSFUL

Chairman Helme Salois informed us that the "Spring Fling" sale was a huge success and, on behalf of the committee, she would like to thank all the workers, all those who contributed to the various tables, and especially all who came and shopped. The following is a list of winners on the raffle table: Afghan, Mary Hartman; Pillow, Catherine McGovern; Roaster/Steamer, Blanche Roote; Candle, Max Grenier; Gallon of Wine, Ethel Comeau; Coffee Brandy, Celia Lundin; Vodka, Ruth Bates; Whiskey, Irene Sullivan; $10.00, Dickie Ethier; Jewelry, Florence Pope.

Congratulations to all the lucky winners.

There will be a Tenant's Meeting on April 28th at Centerview. Helme Salois will preside.

Happy Birthday to Teddy Renaud who will be 86 on May 8th and best wishes to Mae Plante who will be adding another candle to her cake on May 9th. Also, Raymond Fink will be celebrating a birthday on May 9th. Many Happy Returns to all of you.

COA MENUS

FRIDAY: Mother's Day Special - Fresh Fruit Cup, Roast Beef w/Au Jus Gravy, Benedict Potato, Spinach & Mushrooms, Mother's Day Cake

Heritage Book to have "Added Flavor" this Year

UXBRIDGE. There will be added flavor to this year's Blackstone Valley Heritage Homecoming Week in the form of recipes which will be sprinkled liberally throughout the souvenir program book.

The souvenir program book will have a new feature, recipes from two decades, spanning 1828 and 1848. Mrs. Rita A. LaBonne is chairman of the committee in charge of gathering the appropriate recipes.

According to Mrs. LaBonne, one recipe will be sought from each of the 11 towns involved in Heritage Homecoming Week, including Millbury and Sutton.

Area residents with recipes they think would suit the historic flavor of the book may send their entries to Mrs. LaBonne at her home, 49 Milk Street, Blackstone, MA, 01504-1106. Mrs. LaBonne said the recipes should reflect basic nutrition. "No fluffy desserts, please," she said.

SELECTMEN from Page 9

Cristo noted that the water level should be eased at Dorothy Pond to allow for storage capacity this summer.

Adams noted that he had spoken with several residents at Singletary and found that they were happy with the water level.

- Under "Appointments", Adams expressed concern that the town is without a Civil Defense Director and suggested a more through search for qualified applicants through the use of churches, organizations, the Town Bulletin Board, and the Cable T.V. bulletin board.

Cristo instructed Chase to draw up a letter to all groups suggested by Adams.

- At 8:00 p.m., the Board met with two representatives from Signal Environmental Systems (S.E.S.), Gerald Antrobus, and Daniel Radebaugh, concerning a proposal presented by Alged Rudnickas and the Advisory Board about the Town's access to future use of the residue and aggregate from the Resource Recovery Plant.

Adams explained that he had heard of the idea through the Advisory Committee. "There was justification for the Board to investigate the potential and that utilization of residue by the Town might be appropriate. S.E.S. made arrangements to dispose to Shrewsbury. This may not continue during the entire life of the facility. It is in the best interests of the Town of Millbury to develop an agreement."

Antrobus stated that there were discussions at the Advisory Committee meetings. "They have talked to S.E.S. who is willing to open discussions. This is the first time anyone has asked us. It's a good idea. Tests indicate residue might have a value." Antrobus also indicated that it would be more appropriate to wait until after start-up time.

Cristo then asked what percentage of residue is from refuse burned. Antrobus replied, "For every 100 tons, 30 tons is residue or aggregate. Actual dollars have been committed to Shrewsbury. S.E.S. pays."

Adams then asked, "If you didn't have to truck it so far you would have an interest?"

Antrobus answered, "We are fully agreeable to have a special arrangement with the Town of Millbury. We have passed the 60-70% mark and are zeroing in on July 1st for start-up. By the end of July we will be generating electricity. The boilers have been tested. The plant is 70% complete. Scrubbers are in place. We are right on target."

Radebaugh stated that 22 or 23 communities have signed up, generating 275,000 tons, or 65% of capacity. Commercial haulers are bringing in about 100,000 tons.

Cristo then thanked the representatives and stated that the Town looked forward to future discussions.

Gauthier then asked Chase if he had knowledge of the five bid proposals for soil testing, prior to start-up of the plant in July. Chase stated that they were in but that he had not had time to open them.

- At 8:30 p.m., Bill Berthiaume, Tree Warden, met with the Board to seek an increase in wages for part time workers from $4.19 to $6.00 per hour. Berthiaume indicated that the present rate was too low and made it almost impossible to hire part time workers. On a 3-0 vote, the Selectmen approved the new hourly rate.

Cristo stated that it would be necessary for Berthiaume to go before the Finance Committee to get an adjustment on his own salary, which would now be below the new rate for part time employees. Berthiaume is presently being paid $4.48 per hour. As an elected official, he would need to present his request for approval to the Finance Committee.

- Under "New Business", the Board held up a request for a street opening at the Latti Farm Industrial Park due to a lack of sufficient information.

They also held up a request for several street openings requested by Commonwealth Gas, due to a lack of reasons for the request. Cristo suggested that there is a need for a better system for monitoring and inspecting patch work performed by private contractors. He indicated that, on many occasions, the patchwork has been sub-standard.

The Board will discuss a system for inspection with the Highway Department.

Prior to adjournment, the Board read several pieces of correspondence.

"OK, listen up. We need this game, men. The whole season is riding on it ... and I guess I don't need to remind you that there is no tomorrow ...

MILLBURY HIGH SOFTBALL RESULTS

By Ron Stead

MILLBURY. On April 21, the Millbury girls opened the Southern Worcester League Softball season with a 13 to 6 victory over West Boylston. Jody Cronan led the attack with four hits including three doubles and three runs batted in. Getting two hits and one run batted in apiece were Jody Bush, Kathy Ayotte and Kim Anderson. Lynn Picard knocked in three runs and Marie Labreck, Beth Krumsiek, Michelle Nadeau and Lisa Lube had one hit.

On defense, the Millbury girls played errorless ball. Robin Rosseel and Kathy Ayotte were outstanding in the field. Jody Cronan pitched a solid game to earn her third win of the season. She struck out eight and gave up five hits.

On April 23, it took two extra innings for Millbury to defeat Oxford by a score of 5 to 4. In the last of the ninth inning, Marie Labreck scored the winning run on a clutch hit by Robin Rosseel. Marie Labreck was the leading hitter for Millbury with two hits, while Beth Krumsiek, Jody Bush, Robin Rosseel, Jody Cronan, Michelle Nadeau and Kathy Ayotte each had one hit. Knocking in runs for Millbury were Jody Bush, Robin Rosseel, Jody Cronan, Ellen Ward and Kim Anderson.

For the second game in a row, Millbury played errorless ball. The defense was led by Robin Rosseel, Beth Krumsiek and Jody Bush. Jody Cronan pitched another strong game giving up six hits and striking out seven Oxford batters. The Millbury girls are off to a good start with four victories and no defeats.

SCHOOL MENUS

WEEK OF MAY 4- MAY 8

SCHOOL from Page 4

It was also stated by Tuttle that all this information had not come out at the recent budget discussion held two days prior to tonight's meeting. "We could have cut over $35,000 before this job came up. It boggles my mind that you can cut here and there without any discussion. This needs a lot of investigation, discussion, and input from the Superintendent before we do anything."

Bruce Pease stated that the Committee could go ahead and look at salary ranges and job descriptions. "We have three buildings and 125 teachers. Any one man can't be everywhere. We might not necessarily hire next month or the next six months." He suggested that the Committee encumber the substitute account balance to incorporate it into the next budget. "We need to give the Superintendent a hand, a new separate set of eyes."

Mrs. Cooney stated that she was surprised at Wilczynski's remarks coming at this late date. "The Superintendent has asked for us to give him next year. He deserves the opportunity to try it. We need more information, then we can look at the results. Shrewsbury has a Curriculum Coordinator and they scored the lowest in their 'Kind of Community'. There are curriculum guides in each classroom, curriculums are available. Pressure should be put on Principals, Department Heads and Team Teachers. We are cutting teachers, we could keep them." She then added, "Things that are coming up tonight did not come out a month ago during our evaluation of the Superintendent."

Chairman Hanratty stated that he considered the Superintendent dedicated, but that he has taken on more than necessary. "He needs help. We do have a surplus every year. With a $6,000,000 Budget there is bound to be a surplus. Some cuts can be made. We have had surpluses in the past in the $5,000 to $200,000 range."

Mrs. Cooney responded by saying, "Give him a chance to see if he can do what he says he can do. We need a full year to investigate."

Wilczynski replied, "Alan and Pat are right. I did not sit on it. I did not know some of these things at the time of the evaluation of the Superintendent I was surprised. The last two weeks I found these things out. It did not register until the last two weeks." He then added, "I called Mr. Stickney this morning concerning the Substitute Account. We can reduce next year's Budget by $5,000. There is possibly abuse in the area of sick leave. You are right. If I thought of it before, I would have let you all know. I just put this all together two hours before tonight's meeting." He then noted, "I know the curriculum coordinator is not an instant cure. Who is the watch dog? I don't see how the Superintendent can do it."

Paul Clancy, Chairman of the Task Force Committee stated, "There has been fragmentation in the system. Why? We don't know. Proposition 2 1/2 cut four coordinators." Clancy also told the Committee that state officials had met with his committee to discuss the low results of the Grade 11 test scores. He indicated that his committee had prepared questions about their concerns. "The meeting and the exchange of information was very informative," he said. "The State suggested a curriculum coordinator as part of the remedy. The time is now to do something, to establish a curriculum coordinator."

Dr. Sylvia indicated that at the high school, 33% of the students are in the Academic level and 66% are in the General Program. "College students have a different background. They will do much better. Mrs. Cooney and I have stated before that the General Career Programs have to be looked at. There is a need for more requirements." [Math and Science courses have been added to the General Career Program requirement.]

Sylvia noted that there has been a need for more articulation within the system. "I have admitted I have not given it a real effort. Lately I have. A curriculum coordinator could make a contribution. Effective right away? No. It will take one or two years. You people have to make that decision on how you want to go." Sylvia then noted that in the past, standard achievement test score have been strong and respectable. "I take no pride in the results (state test scores)."

Mrs. Cooney stated, "We have to work with what we have now. In the past, courses were all over the place. Students could choose whatever they wanted. What is needed is a Core Curriculum with fewer study periods. Some students have three studies in a day. They are walking around the corridors in some instances." She went on to state that the School Committee was appreciative of the Task Force's recommendations. "If we don't accept one out of ten recommendations, you should not feel offended because we don't take everything you recommend."

Wilczynski stated that the assessment test scores were not the determining factor. "In investigating the entire structure, we have found gaping holes in our structure. Ability or performance of staff have not been in question. Staff members are not overlooked."

Business Manager, Stanley Stickney, then stated that the encumbering of money cannot be done so as to expend for work to be done this year. "You can't encumber salaries this year for next year," he said.

SCHOOL from Page 16

Pease then added, "If we want a longer time, we can take longer. What we need is a salary range, job description, and the sphere of responsibilities. This is a long time process in finding someone. We can start actively seeking. It may take until the next New Year."

Hanratty noted that the downside was to find the money to fill the position.

Mrs. Cooney responded, "It is not just financial. There are approximately over 1,600 students in the Millbury system. The lower grades did well. It was the 480 student group at the high school level that scored low. Are we going to hire a curriculum coordinator because of one building? I am behind the Superintendent. He says he can do it."

Tuttle stated, "Everybody would agree with the $45,000 if we could guarantee that there would be no problems. Having heard remarks at a previous meeting, it is a question of how long we would have someone. A position like this could be a stepping stone to advancement."

Hanratty indicated that it was an economic issue, since he had been informed by the Finance Committee that they had passed the School Budget and would support it at the Town Meeting.

Wilczynski moved that this item be put on the next agenda. The Committee voted 5-0.

- The Committee then,

1. approved, on a 5-0 vote, a request by Mrs. Stepien for an unpaid one year leave.

2. approved, with regret, the resignation of Dave Wilbur as Winter and Spring Track coach.

3. Approved, with deep regret and appreciation of many years of service to the School System, a letter of resignation, effective October 30, 1987, from Business Manager Stanley Stickney.

4. Approved, with regret, the resignation of Leah Devine, Secretary to the School Committee.

- Under Addenda, the committee voted 5-0 to approve a request for expending funds from the Improvement Council at the High School.

- The Committee also briefly discussed items and questions to be included in a letter to Attorney Broadhurst concerning the appointment status of Karen Dinsdale.

Hanratty emphasized that anyone teaching for three consecutive years was eligible for tenure.

Mrs. Cooney brought up the issue of Chapter I teachers who work from October to May, and questioned whether they would be eligible for tenure. She noted that several Chapter I teachers had been in the system for eight or nine years.

Hanratty responded that if they were to challenge it they would probably win.

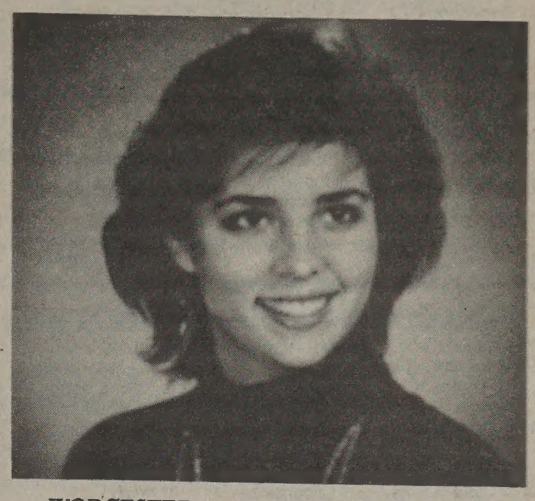
- The Committee then voted unanimously to go into Executive Session to discuss a change in administrator's contract language and the bidding process for a bus contractor.

Housing Authority Elects Officers

MILLBURY. At their annual meeting held on April 21, 1987, the Board of Directors of the Millbury Housing Authority elected the following slate of officers: Chairman, Richard J. Dwinell; Vice Chairman, George A. Malo; Treasurer, Norman E. Saucier; Assistant Treasurer, Joseph A. Lauzon; State Appointee, Richard F. Phelan.

Mr. Phelan will serve as the 5th member until his term expires in July of 1987, at which time a new member will be appointed by the Executive Office of Communities and Developments.

Laurie McCrohon Receives Citation for Academic Excellence



WORCESTER. Laurie McCrohon, age 21, daughter of Ronald and Patricia McCrohon of 46 Miles Street, Millbury, recently received the Citation for Academic Excellence in English at the Assumption College Honors Convocation on April 8, 1987. This award is the highest bestowed by the College.

Laurie has been on the Dean's List since 1984, and will graduate this year, Magna Cum Laude.

PLEASE CALL BACK

Will the person who called who called 839-4394 on Saturday, April 25, to say he had found a red male tiger cat with 4 white feet please call back.

The cat was lost in the vicinity of Fitzpatrick Road in Grafton. He answers to the name "Spenser".

...with Low-Cost Car Loans from MCU!

The Millbury Credit Union offers low rates on both New and Used Car Loans...good loans for the vehicles *you* want, with low rates available year-round.

At MCU, you can choose from a variety of options...the amount and term of the loan, with life and health insurance, if you wish.

Don't be mislead by those "low, low rates" offered by some car dealers...rates which are often inflated by such hidden factors as sticker price, trade-in value, and "dealer participation".

Make the best deal you can...and then visit the Millbury Credit Union!
